NORTH WHEATLEY NEWS

Dear Parents and Caregivers,

This week, we are expecting particularly high temperatures. Please ensure that your child comes to school wearing a hat and has sunscreen applied beforehand. While children are welcome to bring their own sunscreen, they will need to apply it independently. We will regularly refill water bottles, and when outside, children will be encouraged to stay in shaded areas to help keep cool. Lastly, please remember that this Friday is an INSET day, meaning school will be closed.

Warm regards,

Mrs. Ruddlesdin and the NW staff team

SPORTS DAY

IMPORTANT!

Due to the extreme heat expected on Thursday, we have decided to cancel Sports Day to prioritize the safety and well-being of all children. The event has been rescheduled for Friday, July 10th. We sincerely apologize for any inconvenience this may cause and greatly appreciate your understanding.

Fidgets

We have noticed that a number of children have been bringing small toys and fidgets into school. Please can we remind you that these items should not be brought in, as they can easily be lost, damaged, or cause accidents.

Coffee Morning

On Monday 29th June, BPBP (Behaviour Partnership) will be hosting a coffee morning at 8:30am. Following the success of our previous event in the Spring Term, we look forward to welcoming parents for an informal chat with Kerry Macadam, Family Support Co-ordinator, who will be available to discuss any parenting-related matters.

NORTH WHEATLEY NEWS

Sporting achievements

We are delighted to celebrate some recent sporting achievements. Our Girls' Football Team played their first match against Misterton, finishing with a fantastic 1-1 draw. The team made us incredibly proud and grew in confidence throughout the game. Thank you to Miss Walker and Mr Spencer for organising and coaching the team.

Our swimming team also represented the school at the finals at Ponds Forge on Saturday, performing brilliantly in a highly competitive event. The children thoroughly enjoyed the experience and made us all very proud. Thank you to Miss Ellis for her hard work and to Bea's dad for supporting with the coaching.

School updates

We would also like to thank our site manager, Mr Rowland, for clearing the area at the front of the school. We hope you agree that it is already looking much tidier. Further improvements are planned as part of upcoming work to help prevent flooding, and we will continue to keep you updated.

Exciting Opportunity

We are offering a Lunchtime Supervisor position that will begin in September. If you are interested or would like more information, please reach out to the school office to request an application form.

School value

Our school value this half term is Hope, which we are exploring through Collective Worship and lessons. We are also reflecting on our Christian Vision to "Shine as lights in the world." I am looking forward to reading the applications for the Light Ambassadors to help support in Collective Worship.

The PTFA continue to look for volunteers and are currently seeking a new Chair for September. If you are interested in getting involved or would like more information, please speak to a member of staff or the PTFA team. The trips, resources, and events our children enjoy are only possible thanks to their invaluable support and fundraising efforts.
