*Believe Achieve Thrive*

Dear Parents and Caregivers,

It has been a busy half term here at school, with lots to share and celebrate. Thank you for making me feel so welcome – it has been lovely to get to know your children and to meet so many of you. Please do come and see me if you have any questions or would like to talk about anything at all.

Wishing you all a very happy half term.  
Mrs Ruddlesdin and the NW staff team

- 24<sup>th</sup> July Last day of term -End of Year service - details to follow - No Night Owls or After School Clubs
- 27<sup>th</sup> July INSET Day

## Colour Run

A big thank you to Miss Ellis and the PTFA for organising last week's Colour Run. It was fantastic to see children, parents, and staff all taking part and enjoying the event together. We are delighted to share that the final total raised was £532.40, which will go towards enriching activities and events across the school.

## SATS

A huge well done to our Year 6 pupils, who were an absolute credit to the school during SATs week. They worked incredibly hard, showed great resilience, and gave their very best in every test – we are extremely proud of them. I am sure they will also have had a wonderful time at Kingswood this week, making lasting memories and celebrating their achievements together.

The PTFA are always looking for volunteers and new helpers. In September, they will also be seeking a new Chair. If you are interested in getting involved or would like to find out more, please do speak to a member of staff or the PTFA team. The additional trips, resources, and events our children enjoy would not be possible without the incredible support and fundraising from the PTFA, and we are keen to ensure this vital part of school life continues to grow.

## Vision Renewal

One of our ongoing priorities is to review and refresh our school vision and Christian values, ready for a relaunch in September. This term our value has been Respect, and next term we will focus on Hope. This will be a chance to reflect on the aspirations we hold for our pupils, particularly as we support our Year 6 children in their final term with us

## Future Projects

We also have an update regarding the area at the front of school. Contractors have visited the site to explore improvements aimed at preventing further flooding. This area will be included in future works, although timescales are not yet confirmed. We will keep you updated as soon as we have further information.
