*Believe Achieve Thrive*

Dear Parents and Carers,

This Summer Term, North Wheatley Church of England Primary School has been filled with excitement! We've experienced a flurry of learning opportunities and exhilarating events.

Wishing you all a wonderful Bank Holiday weekend! Here's hoping for plenty of sunshine!

Many thanks,  
Mrs Ruddlesdin

## OPEN THE BOOK

In this week's "Open the Book," we examined humility through the story of "Me First," featuring Peter and John, fishermen invited to be Jesus' disciples. The narrative emphasizes putting others first, showcasing how humility fosters transformative opportunities and personal growth, prompting reflection on our priorities and selflessness.

## MAGNA TRIP

Year 1 and Year 2 enjoyed a fantastic trip to Magna, where they learned all about the elements. They had a brilliant time, and it has been wonderful to see this learning continued through their work back in class

# VOLUNTEERS NEEDED

Looking ahead, one area I would like to focus on improving is the front of the school. I am hoping to organise a working party on a weekend to help clear and refresh the area.

If you are able to offer some time or equipment to help, please email the office to let us know – your support would be greatly appreciated.

## YEAR 6 FUNDRAISING

Year 6 have been extremely busy preparing for both their SATs and their residential visit. When we encountered an issue with transport costs due to a change of bus, the children in Topaz came up with a fantastic fundraising idea to help support this. Mrs Reid and the Topaz class worked incredibly hard to make delicious snacks, as well as running a tombola and bake sale at the end of the day. A huge thank you for all your support – together we raised an amazing £303!

## Y4 CURLING COMPETITION

Year 4 recently took part in a school curling competition, led by a visiting coach who gathered scores from different schools. We're eagerly anticipating the results, hoping for an excellent outcome!

## WALTER'S BIKING UPDATE

Walter Frankland in Year 6 continues to show incredible determination by cycling every day to raise money for school. He has already raised £390 towards his £500 target – keep going, Walter, you're doing brilliantly!

### Biking to school every day

To celebrate my final year of primary, I have challenged myself to try and raise £500 for my beloved school by cycling to school every day, even if it means cycling through wind, rain, hail and sunshine (eventhough I havent had any sunshine yet).

I have raised a grand total of £390 so-far
